---

## Summary

Results-driven **Frontend Developer** specializing in **React.js**, **Next.js**, and **Redux**. Committed to building high-performance, SEO-friendly, and accessible web applications. Unique perspective gained from a **business-management** background ensures technical solutions align with strategic objectives.

---

## Technical Skills

- **Core Technologies:** Next.js, React.js, Redux, JavaScript (ES6+), HTML5, CSS3
  - **Styling:** Tailwind CSS, Bootstrap, Material UI, Responsive Design, Accessibility (a11y)
  - **Tools:** RESTful APIs, AI-powered tools, Jest, React Testing Library (RTL), Git, GitHub, Vercel, npm
- 

## Projects *(All codes & demos available on Portfolio & GitHub)*

- **Gouda Restaurant App** — *Next.js, Redux, Bootstrap, a11y*
    - Developed a performant, multi-page restaurant app featuring a simple menu and contact interface.
    - Leveraged **Next.js** to improve SEO and faster initial load time, ensuring a seamless user experience.
    - Managed scalable state using **Redux**.
    - Deployed on **Vercel**.
  - **Weather App** — *Next.js, REST API, Bootstrap, Jest + RTL, a11y*
    - Utilized **Next.js API Routes** for secure server-side data fetching from API.
    - Ensured full accessibility (a11y) and mobile responsiveness.
    - Implemented unit tests using **Jest & RTL**.
  - **To-Do List App** — *React.js, Material UI, Jest + RTL, a11y*
    - Created a task manager with dark mode, accessibility features, and local persistence.
    - Focused on intuitive UI/UX design using Material UI components.
- 

## Professional Experience

**Owner & Manager** | Gouda Restaurant | *Apr 2023 – Mar 2025*

- Managed daily operations and staff, strengthening skills in **leadership** and client satisfaction.
- Applied **problem-solving** abilities to optimize business processes, ensuring smooth operation.

**Inventory Control Specialist** | Delta University | *Aug 2022 – Apr 2023*

- Maintained accurate supply records, **optimized** inventory **workflows**, and **reduced** waste by 15%.

**Administrative** | Delta University | *Jan 2021 – Aug 2022*

- Organized events and coordinated administrative processes using MS Word & Excel.
- 

## Education

- B.A. Business Administration & B.A. Accounting | Mansoura University | *2022 / 2020*
- **Languages:** Arabic (Native) | English (B2 - Upper-Intermediate)
